Material
Polypropylene is used in both box and lid. The containers are manufactured to meet food packaging standards and will withstand microwave oven use.

Environment issues
When polypropylene is used in combustion it produces only carbon dioxide and water together with heat energy.

Colouration
A large range of colors is available, including different colours for box and lid.

Decoration
We can offer installation of IML-labels.
These labels are moulded in the lid and can not be removed. Adhesive and solvent free.
Available in 6 different colors.
